Frequently Asked Questions

What is the currency used in Sweden?

The official currency in Sweden is the Swedish Krona (SEK). Most places accept cards, but it's always good to have some cash on hand.

How prevalent is English in Sweden?

English is widely spoken in Sweden, especially in urban areas and among the younger population. Swedes generally have a high proficiency in English.

Traditional Swedish food to try

Don't miss out on Swedish meatballs, 'smörgåsbord' (a buffet of various dishes), and the sweet treat 'kanelbullar' (cinnamon buns). Traditional Swedish breakfasts include items like oatmeal, yogurt, and sandwiches.
